FOREIGN BROADCAST INFORMATION SERVICE

Of Special Interest This Week

+ Several FBIS bureaus received special thanks from the Department of State over the holiday period for their coverage of special events. The American Embassy in Pretoria praised the bureau in Swaziland for its "exceptional, quick work" in processing the South African foreign minister's 22 December remarks on relations with the United States, while the consulate in Shanghai thanked Okinawa Bureau for its "superb" coverage of the student demonstrations in Shanghai and its open-speaker watch on Shanghai radio. (U/AIUO)

+ FBIS' Seoul Bureau has instituted additional measures in coordination with the U.S. military, to ensure best coverage and quickest delivery of videotapes of Pyongyang Television's extensive coverage of the DPRK Supreme People's Assembly, in session since 29 December. The videotapes, which are recorded for FBIS along the DMZ, will be supplied in a timely fashion to interested U.S. Government consumers. (U/AIUO)
